LIMITED SIX (6) YEAR WARRANTY

Pine Creek Structures, Inc., warrants this product against defects in materials or workmanship for a period of six (6) years after the date of installation. Pine Creek Structures, Inc., also warrants that the shed substantially conforms to the quality and workmanship of the display shed of the same model which may have been shown to you by the authorized Pine Creek Structures, Inc., dealer who sold the shed to you. During the period of this limited warranty, Pine Creek Structures, Inc., will repair a defective or nonconforming product or part without charge to you. This limited warranty extends only to defects in materials or workmanship as limited as above and does not extend to any product or part which has been discarded by you or to damage to your shed caused by misuse, accident, improper maintenance, or improper use, vandalism, or acts of God, including but not limited to tornadoes, hail, and floods, or to units which have been altered or modified without the authorization of Pine Creek Structures, Inc. Normal aging/weathering of natural wood products will occur, resulting in visible cracks in the siding over time. Such aging/weathering on natural wood products is not covered under this limited warranty.

1. You **must** retain your **bill of sale** or provide other **proof of purchase**.
